The gram weight of the bottles determines how they are manufactured and what Kinley soda 1 litre price will be:

Cost and weight are inextricably linked.

Some of the varieties are 24g, 28g, and 34g, and the weights vary.

A single drop of virgin plastic bottle costs a lot of money.

For example, a 24 g weight 1-liter bottle costs 8. (excluding caps price)

The price of a recycled pet bottle is roughly 5, and the quality has worsened.

So, in general, 24g is chosen for Kinley soda

26 g water bottles

32g of oil and other ingredients

Hence you can see in our market that Kinley soda 1-liter price is around 30-35 in the Indian market.
